Subject: Falcon Refinery - Weekly Report
Date: 07/02/2012 10:25 AM

Stephen:

Any idea where the weekly is at?

Also, I have a fear that you have not been retaining records associated with the site that go back to BNC, Kleinfelder days. I need to get confirmation that you have retained those documents for your client (NORCO) and now Lazarus. Those documents are required to be maintained and organized to be able to provide to EPA at anytime requested. Please confirm that this is being done.

Thanks

Gary Moore
